

Ontology of Minions

Minions are a powerful metaphor/re-i-fi-cation of late capitalist ontology and its concurrent/recurrent power channels. Duplication, Multiplication, Eternal Recurrence, Non-Discourse, Post-Lapsarian, Pre-Apocalyptic, Post-Racial, Global Distribution, Post-National Borders, Workload Capacity Contingent Self-Definition, Workwear as Style, Medical Device (glasses) as Accessory, Intelligence Levels Leveled, Rhizomatic yet Hierarchical vis-a-via Gru as Savior/Sovereign.
