

Multimodal Functions Inside Our Solenoid Chamber

You were concept lacking reason failed.
Being avatar tacticians we
Cannot understand the human.
Our myriad yet strange pre-channeled forms whereupon the functions
Provide themselves, as always.
One variable requires a force
Multiplier to do any damage
or do any thing at all.

To find two variables is easier
Than finding
 One, and three's a party.
Pick your sturdy time-worn chair,
Sit, cross-legged if you can, please.
Many events and virtual surprises have
Not been anticipated cannot be
Anticipated, or something vague.
 That type of the sort.

Now if you open your program,
Follow along, provide attention,
Comfort and ignore with utmost
Care we can commence
This diagrammatic colloquy.
 You've read the title.
 We've changed our minds.
There will be no explication:
Interactions and their implication.
No flesh was ever required or expected.
